C= 70% of the highest point total in class

D= 60% of the highest point total in class

F= <60% of the highest point total in class

**Class Guidelines:**

1. Quizzes and Midterms will be announced. Make-ups will be allowed only if prior arrangements have been established with the instructor and must be completed before the next class period to potentially earn full points.
2. Lab participation grade will be based on lab attendance and student participation during labs. Labs cannot be made up.
3. Incompletes will be given in the event a student completes the majority of the course work, but for some valid reason misses a portion of the class. Before an incomplete will be given, the student must sign a contract with the instructor stating how and when the work is to be made up. The awarding of an incomplete is at the discretion of the instructor.

Students who may need accommodations due to documented disabilities, or who have medical information which the instructor should know, or who need special arrangements in an emergency, should speak with the instructor during the first week of class. If you believe you may need accommodations, but are not yet registered with CFAR, please go to the CFAR website for steps on how to apply for services or call 541-917-4789.
