**Email:** [wileym@linnbenton.edu](mailto:wileym@linnbenton.edu)

**Office:** MH-212

**Office Hours:** MW 11:00 – 11:50 pm, TR 10:00 – 10:50 pm

**Lecture:** Tues. & Thurs. 2:00 – 3:20 pm in MH-208

### Course Description:

Introduction to chemistry for science, engineering and the professional health occupations. Designed to meet the prerequisite for CH 221, this fast-moving curriculum covers the basic tools offered in a typical one-year high school chemistry course. There is no laboratory with CH 150. Chemistry 150 does not fulfill the general education science course requirement.

### Required Materials:

- [Chemistry from OpenStax](#), Print ISBN 1938168399, Digital ISBN 1947172093
- Knewton's Alta Online Homework Access Code
- Non-graphing/programmable Scientific Calculator

**Calculator Policy:** Students will be required to use a nongraphing/programmable scientific calculator for quizzes and/or exams. Department approved calculators are: TI 30xa, TI 30X IIs, Casio fx-260, or HP 10s. If a student does not wish to purchase one of these calculators the department will provide either a Casio fx-260 or HP 10s for use on exams and/or quizzes.

**Corequisite:** Math 95, Intermediate Algebra

### Student Learning Outcomes:

1. Use mathematical reasoning with dimensional analysis while applying rules of significant figures.
2. Use the Periodic Table to recognize and explain; (a) the differences between, (b) the formation of, and (c) the naming of covalent and ionic compounds.
3. Explain the relationships and perform calculations using moles, individual particles, and mass.
4. Balance chemical reactions and perform stoichiometric calculations in problem solving.
5. Perform calculations using a variety of concentrations such as mass percent and molarity in connection with solution stoichiometry

### Science Help Desk:

The Science Help Desk is located on the first floor of Madrone Hall in the atrium area. The Help Desk is staffed approximately 20 hours per week. Hours of the Help Desk are posted throughout Madrone Hall and in the Help Desk area.

### **Attendance and Classroom Decorum:**

Class attendance is very important to the learning of chemistry. Students are expected to attend class regularly and on time. Entering the classroom late or leaving before the class ends is distracting to students and your instructor. **There is NO cell phone use in the classroom allowed.** The use of a laptop computer during lecture class is approved for CH 150 lecture material **only, i.e. lecture is not a time to do homework.**

### **OpenStax Chemistry Book:**

The textbook for this class is available for free online at [www.openstax.org/details/chemistry](http://www.openstax.org/details/chemistry). If you prefer, you can also get a print version. The book is available in web view and PDF for free. You can also choose to purchase on iBooks or get a print version from OpenStax on Amazon.com. You can use whichever formats you want, but web view is recommended. If you buy on Amazon, make sure to use the link on the book page on openstax.org to get the official OpenStax print version. (Simple printouts sold by third parties on Amazon are not verifiable and not as high-quality.)

### **Homework Problem Sets:**

Online homework will be assigned for each chapter. Homework will be completed using Knewton's alta through Moodle. Refer to the schedule for homework due dates. Homework is due at 11:59pm on the due date. **No late homework will be accepted.**

### **Instructions to Sign Up for Knewton:**

1. Log into Moodle and navigate to the course.
2. Click on any homework assignment to launch Knewton.
3. Click **Purchase** and then choose **One-Time Purchase** or **Redeem Access Code**. The access codes are available at the bookstore. There is also an option to get courtesy access for 14-days.

If you have issues with Knewton, you can use the feedback button, the online chat, or email [support@knewton.com](mailto:support@knewton.com).

### **Quizzes:**

Students will be given unannounced quizzes. They may be in-class or take-home quizzes. The lowest quiz score will be dropped. The quiz problems are good practice for exams and assist with keeping students up-to-date with material. **No late or make-up quizzes will be given.**

### **Exams:**

All exams are given in class. Students who have conflicts with exam days due to other College functions, illness, or family emergencies must contact the instructor **prior** to the exam. Documentation of the College function, illness and/or family emergency must be provided to schedule a make-up exam.

**Grading:**

3 Exams (50 pts each)	150 pts
Final Exam	100 pts
Quizzes	40 pts
4 Homework Sets (10 pts each)	40 pts
<hr/>	
Total	330 pts

**Course Grade:**

90. – 100.%	A
80. – 89%	B
70. – 79%	C
60. – 69%	D
0 – 59%	F

An incomplete grade (I) may be given at the discretion of the instructor. However, a student must have a passing grade ( $\geq 70\%$ ) at the time an incomplete is assigned.

**Drop/Withdraw Policy:**

If you are withdrawing from the class you must file a Schedule Change Form with Registration or use WebRunner. If you formally drop the class **by Monday of the second week of the term**, you will receive a tuition refund. If you withdraw after the Monday of the second week of instruction through the seventh week a **'W'** will show up on your transcript. No withdrawals are allowed after the end of the seventh week. An instructor may not assign a "W" grade.

If you received financial aid or veteran's benefits PLEASE talk with associates at the appropriate office to determine what effects on eligibility dropping a course will have. Don't jeopardize your eligibility! You can contact the Financial Aid Office by calling (541) 917-4850 or by visiting the Financial Aid Office in Takena Hall.

If you stop attending the course without formally withdrawing you will continue to accumulate grades (zeroes for all assignments not turned in) and will receive the grade assigned by the instructor. You will also be held accountable for all charges on your account.

**Academic Integrity:**

"An instructor has the right to issue a grade of F for the course in which the instructor has reason to believe the student has cheated. A student has the right to appeal such action in accordance with the Students' Rights, Responsibilities and Conduct Policy." The preceding statement is Administrative Rule No. 7030-01.
