Notice: Attend the First Week of Classes

Students who do not attend class during the first scheduled week of the class may be officially withdrawn from the class by the instructor

IMPORTANT:

Please read this information before planning your schedule of classes or registering.

All LBCC credit classes, except Adult High School Diploma, whether lower-division transfer or vocational/technical non-transfer, are taught as college-level courses.

Courses with letter prefixes apply toward LBCC degrees and certificates. Vocational/technical courses are numbered 1.000 through 8.999. These courses generally are not transferable to a four-year college or university. There are some exceptions to this rule, however. Students should see an advisor concerning the transferability of vocational/technical courses.

Courses with 100 and 200 numbers are college-transfer courses. Courses with

numbers between 100 and 199 are considered freshman-level courses, and those numbered 200-299 are considered sophomore-level courses.

Courses with decimal points in them and courses with numbers below 100 are not college transfer courses. For example OA 2.530 or MTH 20 probably would not be accepted by a four-year institution.

Some programs require specific courses for satisfying some of the General Education Requirements. Be sure to see your advisor to make sure the courses you select meet the requirements of your program.

General Education Requirements for Associate Degrees

Students should refer to the current LBCC Catalog, "General Education Requirements" section, for information about courses that fulfill General Education Requirements.

Generally, classes that offer a total of five (5) hours of lecture and five (5) hours of individual hands-on experience on the computer (or at least one credit hour) will apply toward the Computer Competency requirement. For a list of these classes, contact the Academic Affairs Office, room 101, College Center, or the Admission Office, room 115, Takena Hall. A complete list of classes that will fulfill the Perspectives requirement for the Associate of Science degree is available from the Academic Affairs Office, Counseling Center and Division/Department offices. All students are encouraged to meet with their advisor or a counselor when planning their schedules and for assistance in determining which courses fulfill specific requirements.

Records Information

In accordance with the Family Education Rights and Privacy Act, LBCC considers the following to be directory information — student's name, address, telephone listing, major field of study, participation in officially recognized activities and sports, weight and height of athletes, school or division of enrollment, degrees and awards received. Students who do not want to have this information released by the college must complete a directory delete form in the Registration Office.

Student Right to Know

Linn-Benton Community College is committed to maintaining a safe and secure environment for students, staff and guests. The Security and Safety Services Department is responsible for security, emergency response and law enforcement. The office is located in room 123, College Center, LBCC main campus. Normal business hours are 8 a.m. - 5 p.m. Monday through Friday. The department is staffed by trained, professional security officers and other support staff. A Security Officer is on duty 24 hours a day, 365 days a year. The college complies with the Student Right-to-Know and Campus Security Act of 1990 and maintains the prescribed statistics for the main campus and all off-campus centers. The statistics are published in the Fall Schedule of Classes and the LBCC catalog. A complete report is available through the Safety and Security Office, 6500 Pacific Blvd. SW, Albany, OR 97321-3779. Telephone: 967-6552.

Alcohol- and Drug-free Program

In compliance with Public Law 101-226, Linn-Benton Community College maintains an Alcohol- and Drug-Free Program to inform students and staff of the risks and penalties associated with the use of alcohol and other drugs. To maintain a drug-free workplace, the college established an Alcohol and Drug Awareness program for students and staff. A pamphlet covering LBCC Drug and Alcohol policies is distributed to staff. The policies also are published in the Fall Schedule of Classes and the LBCC catalog. Anyone wanting additional information should contact the Associate Dean of Student Services or the LBCC Human Resources Office, 6500 Pacific Blvd. SW, Albany, OR 97321-3779.

Non-Discrimination Policy

It is the policy of Linn Benton Community College that there will be no discrimination or harassment on the grounds of race, color, sex, marital and/or parental status, religion, national origin, age or disability in its programs, activities or employment. Employees and other people having questions about equal opportunity and non-discrimination should contact the Human Resources Office. Students who have questions should contact the Associate Dean of Students. Questions or concerns related to affirmative action, non-discrimination or equal opportunity should be directed to the Human Resources Office, College Center - room 108, Linn-Benton Community College, 6500 Pacific Blvd. SW, Albany OR 97321-3779. Telephone: 967-6502

Schedule/Catalog Information

The information contained in the current LBCC quarterly schedule of classes and the college catalog reflects an accurate picture of Linn-Benton Community College at the time of publication. However, conditions can and do change. Therefore, the college reserves the right to make any necessary changes in the matters discussed herein, including procedures, policies, calendar, curriculum, course content, emphasis and cost. Students enrolling in classes at LBCC shall be subject to rules, limits and conditions set forth in the current catalog, schedule of classes and other official publications of this institution.

Your cooperation is appreciated.

2. Your advisor or a counselor will help you select classes most appropriate to your needs and abilities. New full-time students must have an advisor's or a counselor's signature before they can register. You may begin filling in the Registration Request Form with desired classes, if you know which classes you need. Check the class schedule for times and classes. The course reference number (CRN) is the third number in the schedule. This number tells the Registrar the time and day the class is offered. When choosing classes, observe other information in the class schedule, such as footnotes, location, lab fees, number of weeks the class meets, etc. See sample on next page.

- Proceed to the Registrar's window. If any of the classes that your advisor or counselor approved are filled, you have the option of:
 - choosing another class from the approved classes for your degree,
 - registering for fewer credits than you had planned,
 - returning to your advisor or a counselor to help you choose another class,
 - attending the class the first day it meets to see if the instructor will admit you or
 - requesting an overload slip from the instructor and registering for the class if the division approves overloads. Check with the division office for information on overloads.
- You will receive a computer printout of your classes when you have completed registration by paying your fees at the Business Affairs Office, first floor of the College Center (see map below).
- When you are ready to buy your books, you will find the bookstore located next to the entrance to the College Center (CC) across from the Learning Resource Center (LRC).
- You must officially drop or add classes by filling out a schedule change form and presenting it at the Registration window. New students must receive a counselor's signature before adding or dropping a course.

Remember to check with your advisor each term. Failure to do so may mean

- that you may take classes that do not apply to your major;
- you may be out of sequence and be delayed in taking needed classes;
- you may not graduate on your anticipated graduation date. Please see your advisor prior to registering each term.

How to Read the Class Listings

At the top of each page in the sections where classes are listed (Vocational/Technical/College Transfer and Extended Learning) are headings to identify the information you need about each class. An explanation of what each heading means is provided here to help you use the schedule and to register.

Course # indicates the specific course number by which a class is identified. Courses with letter prefixes apply toward LBCC degree and certificate programs. **Courses without alphabetical prefixes, such as 0.123 and 9.123, do not apply toward LBCC degrees and certificates. College transfer courses have 100 and 200 numbers. Courses with numbers lower than 100 are not transferable.**

Courses numbered between 1.000 and 8.999 are vocational/technical courses and generally will not transfer to four-year colleges and universities. There are some exceptions to this rule. Students should see an advisor concerning the transferability of vocational-technical courses.

Sec. # stands for section number. Some classes are offered several times each term. The section number identifies the specific course and when it meets.

CRN stands for course reference number. This is an identifying number for each course and is used in registering and for other procedures.

Credits indicates the number of credits given for the course.

Grade indicates the grading options. A - F - a graded class; PNP - pass/no pass only; OPT - student can request Pass/No Pass but is graded otherwise; C - Applies to non-credit classes only and indicates that a student can request a completion verification.

Day(s) indicates the day or days of the week the class meets. The key for days of the week is at the bottom of each page of class listings. TBA indicates "to be arranged."

Time indicates the starting and ending time of each class. Classes that begin at 5 p.m. or after are considered night classes and are indicated with a gray shading in the Professional/Technical/College Transfer section.

Part Term stands for Part of Term. The Part of Term code (either a number or a letter) is important to know for last day to register, refund and withdrawal dates, and when selecting Pass/No Pass.

Start Date indicates the day the class begins.

of Wks indicates the number of weeks the class meets.

Building/Room indicates the building and room number where the class meets. Class location keys are provided for each section of the schedule.

Footnote(s) indicates special requirements and/or supplemental class information. See footnotes listed on this page.

Telephone registrations are not accepted for classes that have footnotes "I," "K" and/or "T" These classes are marked with this symbol **x**.

Grading System

The following is a summary of the grading system that is used:

- A** (Excellent work): 4 quality points per credit
- B** (Above average work): 3 quality points per credit
- C** (Average work): 2 quality points per credit
- D** (Below average work): 1 quality point per credit
- F** (Failing work, no credit earned): 0 quality points per credit
- IN** (Incomplete work): If a makeup grade is not submitted by the instructor by the end of the following quarter (spring term has to the end of the following fall term), the IN grade will automatically be changed to a "Y" grade. IN grades are not normally awarded in variable credit classes.
- P** (Pass): Credit earned, but not computed in GPA
- NP** (No Pass): No credit earned, not computed in GPA

- AU** (Audit): No credit earned, not computed in GPA
- W** (Official Withdrawal): No credit earned, not computed in GPA
- WP** (Work in Progress): No credit earned; not computed in GPA
- Y** (No Basis for Grade): No credit earned, not computed in GPA

*Grading backup records are kept for one year only. Grades issued prior to that time cannot be reverified.

Grade Point Average (GPA) is calculated by dividing total points by total GPA hours. (Grades not included in GPA: IN, W, Y, P, NP, WP, AU, and repeated grades preceded by R.) Grade reports and transcripts show both current GPA (one term) and cumulative GPA (all classes taken at LBCC).

Fall Term Registration Information

This schedule of classes is for selection of classes only. To choose a program of study (curriculum), students should use the college catalog and consult with their advisor or counselor.

Students registering for 12 or more credits or receiving financial aid must be admitted to the college. Others may register without being admitted. A Social Security number is required for positive identification of records. An identification number may be requested from the Registration Office for students not possessing a Social Security number.

Preprinted registration forms are available at the Registration office in Takena Hall. Using this Schedule of Classes, please fully complete your form. Be sure to check the list posted in the Registration lobby and at all the centers for filled, cancelled or changed classes. Take the completed form to the Registration counter or to the center where you will be taking the class.

Tuition

You must pay your tuition the same day you register. Pay your tuition at the Business Affairs Office, first floor of the College Center. *Extended Learning Centers:* Pay at the center when you register.

EXCEPTION: Registration in June for Fall Term. Payment is required by August 9. You will be notified of payment options at the time of registration June 1 - 3.

An Installment Payment Plan is available. Please see the Tuition Payment information on page 13. If for some reason any portion of the payment is invalidated, such as a non-sufficient-funds check, the student's registration may be cancelled.

Telephone Registration

Part-time students can call the Telephone Registration number (926-0664) during the Telephone Registration time period and use their VISA, MasterCard or prearranged Purchase Order for payment.

Faculty Advisors

Faculty advisors and division chairpersons may not be available during break weeks. Students needing instructor and/or division approval should secure it prior to those times.

Attendance doesn't equal enrollment

Students who have not officially enrolled in compliance with the dates appearing in the Class Schedule will not receive credit nor will they be given any special consideration for registering in a class merely because they have been attending unofficially.

Questions?

Anyone having questions about registering for LBCC classes should call the Registration Office, 967-6105. Anyone needing information about being admitted to the college should call the Admissions Office, 967-6106.

New Full-time Student Registration (12 or more credits)

Step 1--Fill out an Application for Admission at the Admissions Office in Takena Hall and pay the \$20 application fee at the Business Affairs Office, first floor in the College Center.

Step 2--Under 18 years of age, provide the Admissions Office with proof of graduation.

Step 3--Take the Placement Examination. (Contact Student Assessment Center in Takena Hall for an appointment, 967-6553.)

Step 4--Prior to the beginning of the term, you will receive a "Notice of Admission" telling you the date and time to come for the required advising and registration appointment. If you have not received your "Notice of Admission" by the week before classes begin, contact the Admissions Office, 967-6106.

Step 5--After advising, take your completed Registration Request Form (signed by your advisor or counselor) to the Registration counter.

Step 6--After you have registered, proceed to the College Center (first floor) to pick up your printed schedule and pay your fees at the Business Affairs Office.

Continuing Fully Admitted Student Registration

*Continuing from
Winter Term*

You may register early (before the open registration period) or you may register with the rest of the students during the open registration period.

Your early registration opportunity is determined by the number of LBCC credits you completed by the end of Winter Term. For Fall Term 1993, the early registration dates are June 1 - 3.

Step 1--Pick up your pre-printed registration form at the Registration Office during the period May 20 - 28. Hours are 8:30 a.m. - 4 p.m. You may register at the date and time printed on your form (or later). Or, you can send a *self-addressed stamped envelope* (must be received by May 28) to have a registration form mailed to you.

Step 2--Bring your completed Registration Request Form to the Registration counter at the day and time printed on the form -- or later.

Step 3--For registration in June for Fall Term, payment is required by August 9. You will be notified of payment options at the time of registration June 1 - 3.

Returning Fully Admitted Student Registration

Returning after an absence

You may register early before the open registration period, or you may register with the rest of the students during open registration. Early registration time for full-time students returning after an absence:

Fall Term 1993 -- September 2 - 20

Step 1--Pick up a Registration Request Form in the Registration lobby.

Step 2--Bring your completed Registration Request Form to the Registration counter.

Step 3--Proceed to the first floor of the College Center to pick up your printed schedule and pay your fees at the Business Affairs Office.

After Four Students

Evening degree & certificate

New students who are fully admitted and working toward a degree or certificate through the After Four Program will have a new student orientation at 6 p.m. on September 9. Continuing fully admitted students in the After Four Program may register June 1 - 3 or September 2 along with other fully admitted students, or with new students September 7 - 20, or during the regular open registration beginning September 21.

Part-time Student Registration

11 or fewer credits

All students receiving financial aid **must** complete the admissions process explained in the LBCC Catalog.

(If you have been fully admitted to LBCC prior to this term, you may follow instructions for full-time students. Part-time students may apply for admission, even if they have no intention of attending full time.)

Part-time students may register in one of four ways:

- (1) At the main campus Registration counter beginning September 21.
- (2) By Telephone Registration. Call 926-0664. (See **Telephone Registration** next column on this page for details).
- (3) At one of the four Extended Learning Center offices (Albany, Benton in Corvallis, Lebanon and Sweet Home):

- For Extended Learning credit and non-credit classes only: beginning September 7.
- For regular campus credit classes: beginning September 22.

Hours for each center are listed on the first page of the center's section. Registration hours are the normal hours a center is open during the registration period.

- (4) For Extended Learning classes only, you may register in class during the first or second class meeting, unless a "J" footnote indicates that preregistration is required.

Late Registration

During the second week of classes, the instructor's written permission is required on all registrations.

Open-entry Classes

See the "Last Day to Register" on the Part of Term Deadline table (page 9) for deadlines to register for open-entry classes.

Waiting Lists

Students may ask at the Registration counter or Extended Learning Center to be put on the computer waiting list for classes that are full and that have waiting lists. Students are not registered for the class and will not be charged for it. They are on the waiting list only in case a seat becomes available. The waiting lists apply to specific course sections and not to course numbers. Students need to contact the instructor by the first class meeting to establish their intent. The class is added to the student's schedule when he or she presents a signed Waiting List Approval Form and a Registration or Add Form at the Registration window or center office before the registration deadline and pays the tuition that same day.

Telephone Registration

LBCC offers Telephone Registration for **part-time students** (11 or fewer credits). Tuition must be paid by VISA or MasterCard. Classes eligible for telephone registration: All classes except those marked with this symbol **x**. (These are classes with "I," "K" or "T" footnote [s].)

How to register by phone:

- (1) Call 926-0664 during the following Telephone Registration time period:
September 21 - 23, 27, 28.... 1 p.m. - 7 p.m.
September 24, 29, 30... 1 p.m. - 4 p.m.
- (2) Give the operator
 - your Social Security number
 - your name, address, phone and birthdate
 - the Course Reference Number (CRN) of the class you want to take
 - your VISA or MasterCard number and expiration date.
- (3) Maximum of two students per phone call.
- (4) Businesses who have prearranged through the LBCC Business Affairs Office to do so may use a Purchase Order number.
- (5) A \$1 non-refundable telephone fee will be charged.

Academic Information

Adding or Dropping Classes

To add or drop a class, a Schedule Change Form must be presented at the Registration Office or one of the Extended Learning Center offices and any additional tuition paid. Adding classes after the first week requires the instructor's written permission. When a class is dropped within the refund period, tuition may be refunded or transferred to another class. Tuition paid for classes dropped after the refund period cannot be credited toward another class. See the *Last Day to Drop For a Refund on the Part of Term* table (page 9) of this schedule. If signed by the student and received by the deadline, classes may be dropped by mail or FAXed to 928-6352. **Adds cannot be processed by mail or FAX.**

Students who stop attending without giving written notice to the Registration Office within the refund period will forfeit all claims to refunds and will be responsible for their grade in the class and for any installment payment commitment. See refund section for specific refund dates and amount.

Advising

Personal assistance in planning a schedule of classes is available to all students, whether part time or full time, through the Student Advising Program. Newly admitted students will be assigned by their major course of study. Advisors and their office numbers are listed, according to major, on the inside back cover of this schedule. Contact the Counseling Center in Takena Hall with any questions.

Attendance

Class attendance is most important to the learning process. Students are expected to attend each class meeting for which they have registered. When absence for some unavoidable reason does occur, it is the obligation of the student to contact the instructor to determine if make-up work is possible.

Instructor Withdrawal

Students who do not attend class during the first scheduled week of the class may be officially withdrawn from the class by the instructor

Auditing Classes

Students may enroll as auditors through the second week of the class. Charges for auditing are the same as for regular credit enrollment.

The final grade assigned a student with audit status shall be based solely on classroom attendance and may be entered as an AU or a Y at the discretion of the instructor. The instructor has the right to require 100 percent attendance when audit status is requested.

Cancelled Classes

Classes may be cancelled due to low enrollment. Tuition paid for a cancelled class may be transferred to another class (subject to space availability and instructor approval requirements) or will be refunded.

Credit by Examination

Presently enrolled students (6 or more credits) who believe they have mastered the material presented in courses listed on the Linn-Benton Community College Course Challenge List may apply for Credit by Examination. For further information, please request an outline of Credit by Examination procedures and a Course Challenge List from the Student Assessment Center in Takena Hall.

Financial Aid

Grants, loans and scholarships may be available for those wanting to attend college but who cannot afford the cost. New or continuing students taking six or more credit hours may qualify for financial assistance, which then can be applied to tuition, books, supplies and/or living expenses. Because the application process can take from four to ten weeks, those interested are urged to apply for aid as early as possible. Applications will be mailed upon request. They are available at the Financial Aid Office in Takena Hall, room T-119, phone 967-6104, between 8 am - 5 pm.

Individual evening appointments are available on request. Students receiving financial aid must have completed the admission process, whether full time or part time.

Overload Credits

Students registering for more than 20 credits in a term must have the written approval of a counselor.

Pass/No Pass Grading

Certain courses listed in the schedule have an "OPT" designation in the "Grade" column. Students in these classes have the option of taking the course for the usual letter grade or taking it on a pass/no pass basis. Students in these courses may submit a P/NP Option Form to the Registrar's Office by the appropriate date listed in the Part of Term table (p. 9). Courses listed in the schedule with "P/NP" in the Grade column are those where only pass or no pass grades are issued.

Note: The maximum number of "P" credits allowed toward an LBCC degree will be 16 credits, not including those with mandatory P/NP grading. Students are advised to consult with their advisor or a counselor before deciding to choose the P/NP option.

It is the student's responsibility to check the Class Schedule to determine whether or not a class has the pass/no-pass option. Requests submitted in A-F classes will not convert grades to P/NP.

Refunds

To receive a 100 percent tuition refund, a signed Drop Form must be received in the Registration Office or one of the Extended Learning Center offices within the refund period shown in the Part of Term table (p. 9). Refunds for full-time students who drop below 15 credits are the difference in tuition. Lab fees are refunded upon request of the instructor only.

Classes cancelled by the college are refunded at 100 percent or the tuition is transferred to another class if the student so requests.

If a class is dropped after the refund deadline, the tuition is not refundable. Students who stop attending without giving written notice to the Registration Office within the refund period forfeit all claims to a refund and are responsible for their grade in class and for any installment payment commitment.

Tuition & Fees

The tuition listed here was in effect in May 1993 when this year-long schedule was published. Be sure to check the quarterly Schedule of Classes for current tuition and fees.

Full payment of tuition is required at the time of registration. (Except for registration in June for Fall Term. See Tuition on p. 10) Students whose tuition is to be paid by a special program, agency or financial aid award must confirm the credit with the Cashier the same day as registering. The Cashier is located in the Business Affairs Office, first floor of the College Center.

Tuition and Fees for Fall Term 1993

	Oregon Residents	Out-of-State	Foreign
Per Credit	\$ 28	\$ 115	\$ 130
15-20 Credits	420	1,725	1,950

Tuition for non-credit classes

The tuition for non-credit classes is based on the number of hours an instructor is furnished. The charge is listed with each class.

Tuition reduction for the unemployed

Tuition reduction for the unemployed is for part-time students who are district residents and receiving unemployment compensation or who are available and seeking work. These students may qualify for a 50 percent reduction in tuition up to \$168 (a maximum reduction of \$84). Ask for an Unemployment Tuition Reduction form at the Registration Office or at LBCC's Extended Learning centers. Before registering, see waiver form for limitations.

Golden Age Program

The Golden Age Program provides opportunity for people 62 years of age or older to participate in college classes for one-half tuition. The discount does not apply to material or lab fees.

Transcript Fee

The fee for an official transcript copy — \$2 per copy including first copy, and \$1 per each additional copy if ordered and sent at the same time. Student copy — \$.50 per copy. Transcript orders require up to 72 hours for processing.

Tuition Payment

In order to validate the registration transaction at LBCC, students must pay the assessed tuition and fees or confirm with the Cashier in the Business Affairs Office, first floor of the College Center, on the day they register that a credit has been previously arranged by a special program, agency or financial aid award.

EXCEPTION: Registration in June for Fall Term. See Tuition Information on page 10.

Installment Payment

An Installment Payment Plan is available to all LBCC students registering for more than three credits. A down payment equivalent to three credit hours, plus a \$7 installment fee, is required at the time of registration. This service is available at the Business Affairs Office until 4 p.m. If for some reason any portion of the payment is invalidated, such as a non-sufficient-funds check, the student's registration may be cancelled.

EXCEPTION: Registration in June for Fall Term. See Tuition Information on page 10.

Veterans' Benefits

Students receiving benefits under the GI Bill, Veterans' Vocational Rehabilitation or as a veteran's dependent must start the necessary paperwork themselves each term in order to receive their benefits. Assistance is available in the Office of Veterans' Affairs (at the Financial Aid Office) in Takena Hall. Call the Financial Aid and Veterans Office at 967-6104 for additional information.

Withdrawal from School

Students who cannot attend classes should officially withdraw from school. The last day to officially withdraw from school Spring Term 1993 is shown in the Part of Term table (p. 9). Students who withdraw and expect a refund of tuition must comply with the dates listed in the column headed "Last Day to Drop for a Refund."

Student Services Information

Adult Basic Education

Adults wanting to complete their high school education or improve high school-level skills can do so at LBCC. Small, informal classes in Adult Basic Education (ABE) are offered days and evenings throughout the district. They are free and cover English, math, social studies, science and literature. Individuals may enroll at any time during the term and complete individualized study programs at their own pace. A competency-based Adult High School Diploma (AHSD) and classes for the General Education Development (GED) equivalency certificate are available. Check the ABE/GED listings for offerings on the main campus and at the off-campus Extended Learning in the schedule for the classes near you or call the Student Development Office, 967-8836.

Assessment Center

The Student Assessment Center, located on the second floor of Takena Hall, offers the GED testing program to residents who have not earned a high school diploma. LBCC also participates in the College Level Exam Program (CLEP), which provides a way for students to earn college credit for non-classroom experience. Career interest and personality inventories are given upon counselor referral, along with a variety of other guidance tools. The Student Assessment Center also administers the Placement Test as part of LBCC's admission process and, upon request, similar tests required by other programs. For more information, call 967-6553.

Bookstore

The LBCC Bookstore carries texts and supplemental readings for courses taken on the main campus. Books for classes offered at LBCC Extended Learning centers are available at the centers only, not at the main LBCC Bookstore. Also available are art and school supplies, stationery, novelty items and general interest books. The Bookstore is in the College Center, phone 967-6503. Bookstore hours are 8 a.m. - 4:30 p.m. Monday-Thursday and 8 a.m. - 4 p.m. Friday. Wholesale book buy backs are done daily at the window. Dates and hours for the Book Buy Back at the end of each term will be listed in the regular quarterly Schedule of Classes.

Bus Systems

The Linn-Benton Loop System provides service between Albany, LBCC, Corvallis and Oregon State University. "Park and Ride" locations, where bus riders can park their cars, are available in Albany, LBCC (the south parking lot) and Corvallis. The Albany Transit System provides service from downtown Albany to LBCC. For more information on these two bus systems, call 967-4318. The Corvallis Transit System makes connections with the Linn-Benton Loop bus at 5th and Jefferson and 15th and Jefferson in Corvallis. Call 757-6998 for more information. All three bus systems are handicapped accessible.

Bike racks are provided on the front of Loop buses for use on a space-available basis.

Special express buses traveling directly between Corvallis and the LBCC campus are run late mornings and early afternoons.

Bus schedules are available at the LBCC Albany Center office, first floor of Takena Hall, and the Student Programs office and the Culinary Arts and Food Service office, both on the second floor of the College Center. A bulletin board displaying transit information for the Loop System and Albany Transit is located in Takena Hall (across from the Albany Center).

Loop bus passes may be purchased at the Albany Center on campus or at the city halls in Albany and Corvallis.

Carpools

Students interested in joining a carpool should check with the Student Programs Office on the second floor of the College Center. To sign up as a passenger or a driver, check the Carpool Information Board in the College Center. If you have questions, call 967-8831 and ask for the Carpool Sign-up.

Child Care

Child Care Resource and Referral (CCR&R)
CCR&R is the link that makes the child care system work for parents, child care providers, employers and the community. This system offers help and information to parents seeking child care and is located in Health Occupations Building, Room 203. Parents can access the service by walking in or by calling 967-6501. Available right now thanks to the Associated Students of LBCC!

Family Resource Center

On-site child care for campus families is provided in the Family Resource Center. The center can care for 54 children 2 1/2 years to 5 years of age. If you would like information about this service, please call 967-8833.

Computer Lab

All full-time or part-time LBCC students and staff are eligible to use the student computer lab. Located on the second floor of the Forum Building in F-204, the lab is equipped with 25 IBM-compatible personal computers, 12 Macintosh computers and 8 terminals connected to the VAX (main frame computer). The computers are networked to provide access to word processing, spreadsheet, data base and programming software. Instructional assistants are available to help with any questions. Forum Computer Lab hours are 8 a.m. - 11 p.m. Monday through Thursday, 8 a.m. - 3 p.m. Friday, 9 a.m. - 5 p.m. Saturday and 1 p.m. - 8 p.m. Sunday.

Counseling & Career Center

The Counseling and Career Information Center gives assistance in academic, personal and career counseling. The center has a computerized career decision-making program, "CIS-Micro Skills," that is available for students and area residents to use. If you have any questions about your schedule, your future or problems of a personal nature, don't hesitate to contact the Center in Takena Hall. Phone 967-6102. The Extended Learning Centers also have counselors to assist students in the outlying areas.

Disabled Student Services

LBCC provides a number of services and programs on campus for disabled students, including special classes, supportive services and aids. For information on any disability-related matter, contact the Disabled Student Services Office, 967-8836. Students who are unable to stand in registration lines due to physical limitations may obtain a "Disabled Student Line Reservation Slip" from the Registrar's secretary. Students who need access to parking spaces reserved for people with disabilities may make those arrangements through the Security and Safety Office located in room 123 on the first floor of the College Center. Reader Services and large print copies of college materials are available for students with visual impairments.

Food Services

The Commons cafeteria and grill, on the second floor of the College Center, are open 7:30 a.m. - 2 p.m. Monday through Friday. The student-run Santiam Room is open Monday through Thursday, serving continuously from 9:30 a.m. to 12:30 p.m. The Camas Room snack bar in Takena Hall is available for daily use 8 a.m. - 9 p.m. Monday through Thursday and 8 a.m. - 3 p.m. Friday.

Hearing Impaired Telephone Service

Students and staff may use the TDD located in the Student Development office in room 200, Learning Resource Center, to communicate with community members who are deaf or hearing impaired. Community members who are deaf or hearing impaired and want to have questions about the college answered or to facilitate an appointment with college staff can call LBCC staff at the TDD number, 967-6114, for help.

Job Placement

Full-time, part-time and former LBCC students can get help finding temporary or permanent employment by visiting the Placement Office in Takena Hall. Advice on resume writing and job interviewing is available. Cooperative Work Experience positions also are available. Office hours are 8 a.m. - 5 p.m. Monday through Friday. Call 967-6102.

Learning Center

Students or district residents interested in improving their learning skills can get help from the Learning Center, located on the second floor of the Learning Resources Building. Tutorial services and individualized study labs in writing, math and reading are available. Phone 967-8836 for more information. These services also are provided at the Extended Learning centers in Corvallis, Lebanon and Sweet Home.

Library

LBCC's 50,000 volume library is open to all Linn and Benton County residents. Located on the ground floor of the Learning Resource Center, the library has open stacks for leisurely browsing and a quiet study atmosphere. Periodicals, cassette tapes, audio-visual aids and copying services are available. Library hours are 7:30 a.m. - 9 p.m. Monday through Thursday and 7:30 a.m. - 5 p.m. Friday. Phone 967-8813. LBCC's Extended Learning centers provide drop box service for the return of LBCC library books and materials.

Drop Box Service

LBCC's Extended Learning centers provide drop box service for the return of LBCC Library books and materials.

Printing

The LBCC Print Shop offers convenience printing services for students and staff of the college. The Print Shop is located on the first floor of the Learning Resource Building. Convenience printing orders can be placed between 8 a.m. and 5 p.m. Monday through Friday.

Student Insurance Coverage

Occasionally students will incur injuries or loss of property while participating in Linn-Benton Community College classes or activities. Tuition and fees paid to LBCC **do not** include medical/dental/disability or theft insurance.

As a service to LBCC students, the college makes available an insurance program in which students may elect to participate. Information can be obtained from the Registration Office in Takena Hall.

For a few classes, arrangements have been made in advance for workers' compensation coverage. This is not automatic and requires prior arrangement with the Business Affairs Office. LBCC also furnishes a limited secondary medical plan for athletes in varsity programs. Both workers' compensation and athlete insurance programs are very specific in applications covering relatively few students.

Registered students at Linn-Benton Community College are not covered by health insurance, accident insurance or by workers' compensation insurance. Further, the college does not provide insurance coverage for tools or personal property that students may lose to theft or may be damaged by vandalism.

Student Programs

The college encourages activities that complement a student's academic program. The Associated Students of LBCC organization provides opportunities for students to serve on college committees, participate in student government and earn credit for participating in leadership activities that enhance student life.

Co-curricular clubs and activities available to students include areas such as journalism, welding, engineering, wastewater technology, nursing, animal technology, drama, music, intercollegiate athletics, dental assisting, DECA, culinary arts, graphics arts, diesel, data processing, horticulture, racing performance and business management.

Extra-curricular activities include Ski Club, International Students, Native American Students, religious affiliations, dances, lunchtime entertainment and intramural sports.

Student activities, organizations and sports are open to all students. For more information about student activities, contact the Student Programs Office, room 213 in the College Center Building, 967-8831.

Women's Center

The female student population at LBCC is a diverse group. Their goals vary. Some are earning GED's, some are in vocational-technical training programs and others are planning to transfer to a four-year college or university. One thing they all have in common, however, is an open invitation to visit and use the services of the LBCC Women's Center.

The Center offers: *Scholarship Information* - Listings of currently available private scholarships for women of all ages and in many career areas; *Information and Referral Services* - comprehensive campus and community referral service to assist the student in finding answers or at least finding the right place to ask questions; *Library* - an expanding collection of books, periodicals and resource files that are checked out to students and non-students free of charge; *Peer Support and Advising* - available by appointment or on a drop-in basis plus support groups that meet regularly with the Center acting as an advocate on issues of concern to women; *Programs* - offered throughout the academic year, such as brown bag lunchtime discussions on a variety of issues.

A lounge with a coffee bar is available for study and informal gatherings.

Call the Women's Center, 928-2361, ext. 377, for more information.

Final Exams Schedule

The final exam schedule is based on the first day of the week a class meets. That is, if you have a class that meets Monday, Tuesday, Wednesday, Thursday at 9 a.m., you would look in the final exam schedule under Monday, Wednesday, Friday at 9 a.m. Your final exam would be 10 a.m. - noon on Monday of final week. If you are in doubt about when your final exam is scheduled, be sure to ask your instructor.

- WR 121 English Composition exams will be Monday, noon - 1 p.m., and Tuesday, 11:30 a.m. - 12:30 p.m. Students must test both days.
- All night classes will test on the final night of the class.
- Saturday classes will test on the final Saturday.
- All classes that do not fit within the categories listed in the final exam schedule should test Wednesday, 2 p.m. - 4 p.m.
- Finals will be held in regularly scheduled classrooms.
- Any students with more than three finals on one day should contact their instructor or the Academic Affairs Office.

Inclement Weather or Other Emergency Closure

Linn-Benton Community College classes will not be held on the main campus or through the Community Education centers if the college is closed because of bad weather, hazardous driving conditions or other emergency conditions. Please listen to your local radio station for closure announcements. College officials will call the stations before 6:30 a.m. if the college is going to be closed that day. Also, if the college is going to be closed, an announcement will be available by calling LBCC's switchboard, 928-2361. If you get a busy signal, keep trying. The busy signal means that someone else is listening to the recording.

LBCC Board Members

FALL 1993

PROFESSIONAL/TECHNICAL/COLLEGE TRANSFER CLASSES

USE THE COURSE LISTINGS IN THIS
SECTION FOR EARLY FALL REGISTRATION

Fall Classes

Note: This section includes all on-campus and Extended Learning Center classes that will apply toward an LBCC degree or certificate. The Class Location Key lists the sites of both the on-campus and the off-campus classes. The classes offered through an LBCC Extended Learning Center are listed by subject and under the sub-heading "Extended Learning/Off-Campus Classes." In this section, classes offered during evening hours are highlighted with a **gray shading**. Class location keys for classes offered through the LBCC Extended Learning centers are listed on the first page of each center's section.

MATHEMATICS (967-8856)

Eligibility to enroll in math courses is based on demonstrated skill level through completing the appropriate prerequisite with a "C" grade or higher or achieving an appropriate test score on the Placement Test.

MATH LAB

The on-campus Math Lab is located on the second floor of the Learning Resource Center as part of the Learning Center. The lab is an open-study area where students who have difficulty in their math courses can receive assistance. The lab also operates a testing area for many of the math courses offered through the Science and Technology Division. Lab hours are:

MONDAY, WEDNESDAY, FRIDAY 7:30 a.m. - 5 p.m. TUESDAY, THURSDAY 7:30 a.m. - 9 p.m.

TV TELECOURSES TV

Telecourses are genuine college courses. They enable students to earn college credit at home and are an alternative to attending classes on the LBCC campus. While much of the course content is televised, the majority of information is contained in text and workbook materials specially designed for the telecourses. Classes are televised over Oregon Public Broadcasting (channel 7) and on TCI Cable in Albany and Corvallis (channels 14 and 31). Programs are usually viewed once or twice during the week and total one hour in length. For students who own VHS video recorders (VCRs), the complete telecourse is available at no charge on two VHS tapes from the LBCC Library. Enrolled students may check out the tapes for the entire term. Registration procedures are the same as for regular LBCC courses. A \$15 telecourse fee, in addition to regular tuition, is due at the time of registration. Attending the first class meeting, listed in the schedule, is important because it serves as the student orientation session. On-campus attendance is required three or four times for review and testing. For more information, call Paul Snyder in the Media Services Center, 928-2361, ext. 332.

WINTER 1994

PROFESSIONAL/TECHNICAL/COLLEGE TRANSFER CLASSES

THIS WINTER TERM SECTION IS FOR PRE-PLANNING PURPOSES ONLY. CHECK QUARTERLY SCHEDULE FOR ANY CHANGES THAT MAY HAVE OCCURRED.

Winter Classes

Note: This section includes all on-campus and Extended Learning Center classes that will apply toward an LBCC degree or certificate. The Class Location Key lists the sites of both the on-campus and the off-campus classes. The classes offered through an LBCC Extended Learning Center are listed by subject and under the sub-heading "Extended Learning/Off-Campus Classes." In this section, classes offered during evening hours are highlighted with a gray shading. Class location keys for classes offered through the LBCC Extended Learning centers are listed on the first page of each center's section.

MATHEMATICS (967-8856)

Eligibility to enroll in math courses is based on demonstrated skill level through completing the appropriate prerequisite with a "C" grade or higher or achieving an appropriate test score on the Placement Test.

MATH LAB

The on-campus Math Lab is located on the second floor of the Learning Resource Center as part of the Learning Center. The lab is an open-study area where students who have difficulty in their math courses can receive assistance. The lab also operates a testing area for many of the math courses offered through the Science and Technology Division. Lab hours are:

MONDAY, WEDNESDAY, FRIDAY 7:30 a.m. - 5 p.m. TUESDAY, THURSDAY 7:30 a.m. - 9 p.m.

TV TELECOURSES TV

Telecourses are genuine college courses. They enable students to earn college credit at home and are an alternative to attending classes on the LBCC campus. While much of the course content is televised, the majority of information is contained in text and workbook materials specially designed for the telecourses. Classes are televised over Oregon Public Broadcasting (channel 7) and on TCI Cable in Albany and Corvallis (channels 14 and 31). Programs are usually viewed once or twice during the week and total one hour in length. For students who own VHS video recorders (VCRs), the complete telecourse is available at no charge on two VHS tapes from the LBCC Library. Enrolled students may check out the tapes for the entire term. Registration procedures are the same as for regular LBCC courses. A \$15 telecourse fee, in addition to regular tuition, is due at the time of registration. Attending the first class meeting, listed in the schedule, is important because it serves as the student orientation session. On-campus attendance is required three or four times for review and testing. For more information, call Paul Snyder in the Media Services Center, 928-2361, ext. 332.

SPRING 1994

PROFESSIONAL/TECHNICAL/COLLEGE TRANSFER CLASSES

THIS SPRING TERM SECTION IS FOR PRE-PLANNING PURPOSES ONLY. CHECK QUARTERLY SCHEDULE FOR ANY CHANGES THAT MAY HAVE OCCURRED.

Spring Classes

Note: This section includes all on-campus and Extended Learning Center classes that will apply toward an LBCC degree or certificate. The Class Location Key lists the sites of both the on-campus and the off-campus classes. The classes offered through an LBCC Extended Learning Center are listed by subject and under the sub-heading "Extended Learning/Off-Campus Classes." In this section, classes offered during evening hours are highlighted with a gray shading. *Class location keys for classes offered through the LBCC Extended Learning centers are listed on the first page of each center's section.*

MATHEMATICS (967-8856)

Eligibility to enroll in math courses is based on demonstrated skill level through completing the appropriate prerequisite with a "C" grade or higher or achieving an appropriate test score on the Placement Test.

MATH LAB

The on-campus Math Lab is located on the second floor of the Learning Resource Center as part of the Learning Center. The lab is an open-study area where students who have difficulty in their math courses can receive assistance. The lab also operates a testing area for many of the math courses offered through the Science and Technology Division. Lab hours are:

MONDAY, WEDNESDAY, FRIDAY			7:30 a.m. - 5 p.m.			TUESDAY, THURSDAY			7:30 a.m. - 9 p.m.

TV TELECOURSES TV

Telecourses are genuine college courses. They enable students to earn college credit at home and are an alternative to attending classes on the LBCC campus. While much of the course content is televised, the majority of information is contained in text and workbook materials specially designed for the telecourses. Classes are televised over Oregon Public Broadcasting (channel 7) and on TCI Cable in Albany and Corvallis (channels 14 and 31). Programs are usually viewed once or twice during the week and total one hour in length. For students who own VHS video recorders (VCRs), the complete telecourse is available at no charge on two VHS tapes from the LBCC Library. Enrolled students may check out the tapes for the entire term. Registration procedures are the same as for regular LBCC courses. A \$15 telecourse fee, in addition to regular tuition, is due at the time of registration. Attending the first class meeting, listed in the schedule, is important because it serves as the student orientation session. On-campus attendance is required three or four times for review and testing. For more information, call Paul Snyder in the Media Services Center, 928-2361, ext. 332.
