### WHO MAY ATTEND L.B.C.C.?

Linn-Benton Community College adheres to the open door philosophy. This means that few limitations are placed on acceptance of students who seek admission.

Each applicant must complete and submit an Application for admission which may be obtained from the College at 203 West First Avenue, Albany, or any high school within the district.

The admissions procedure consists of two steps:

1. Complete an "Application for Admission" form. (This may be done at time of registration for **part-time students**.)
2. Provide the Admission's Office with an official transcript of high school or post high school course work. This is required of all **full-time students** enrolled for 8 or more credits.

### IS COUNSELING PROVIDED?

Pre-registration counselor conferences are available for those students desiring advice and assistance in planning their program. Make an appointment with a counselor for a schedule-planning session. Fall quarter counseling and registration is now in process at the Main Office, 203 West First Avenue, Albany.

### REGISTRATION PROCEDURE

When your schedule planning is complete, you may then register at the Main Office. Fees must be paid at the time of registration. Those unable to pay at that time may make arrangements for payment in the Student Personnel Services Office.
