There is no book to purchase. You will check out a numbered music folder with all of the music we will be singing this fall. You are responsible for the whereabouts of your folder and condition of the music. Please keep a pencil (no ink, please) with your folder, to mark rehearsal notes. You should have a pencil with you at EVERY rehearsal! All music must be returned at the end of the term. Additionally, you will have tuning fork (Key of A 440Hz) checked out to you. You MUST have it with you at EVERY class! The tuning fork must be returned at the end of the term!

Repertoire: Repertoire will be selected throughout musical history and may include: secular, sacred, western classical, folk, non-western, jazz, pop, musical theater, and more. Keep an open mind. We will be performing a variety of music of different genres and in different languages.

Concert Attire for each performance may vary. Depending on the type of performance (caroling, other impromptu performances, etc) attire may change. Formal concerts will require formal attire. More will be discussed during the first two weeks of the term and given to you in writing.

Course description: In Chamber Choir, we will collaborate to achieve beautiful singing, musical artistry, and cultural understanding of literature from many cultures and centuries. We will develop respectful rehearsal practices aimed toward healthy vocal production, ensemble blend, stronger sight-reading (melody and rhythm), aural skills (melody, harmony, rhythm), and expressive musicality. Being a part of any musical ensemble also requires that all members learn and demonstrate responsible leadership skills knowing when to lead and when to follow within the context of rehearsal and performance.

Prerequisite(s): Audition/Permission of the conductor. Conductor's signature/pre-approval.

The music room is a cell-free space; respect others by turning off all ringers and alarms. This includes text messaging!

Ensemble and Attendance Commitment/Responsibility:

Singing in an ensemble is like joining a team: your active presence at every rehearsal is of utmost importance to the success of the whole group. Please keep your commitments to the ensemble to share the responsibility for achieving our goal: singing beautiful and meaningful music for our various audiences with confidence and professionalism. Missing rehearsals may severely affect your overall grade!

Memorization: Music for all performances is expected to be memorized, unless traditional historical performance practice dictates otherwise. The more memorized a piece of music is, the more *musical* we can make it!

Music Checks: There will be FOUR music checks per term. These will involve the entire class and may be done as sections or as small groups depending on the needs of a particular piece that we are working on. The purpose of the music checks are to test how well you know your part, your understanding of your part, and memorization. You will be informed of the repertoire for a music check before the date of the check. Everyone should plan for each quartet check. Additionally, a check may place during a rehearsal at any given time! Those that consistently practice and work on their music will do just fine!

****Additional Performances Note:** At times, we may be requested to perform within the community or special college functions throughout the term/year. Having a positive presence within our community is vital to continue success and growth of the arts at LBCC and in Albany. Should this arise, the information regarding such a performance will be communicated to you in writing as soon as possible requesting volunteers to participate depending on schedules. Extra-credit will be given for participation in extra-performances.
