

## **Linn-Benton Community College Board Objectives 2018-2019**

**The following are the Linn-Benton Community College Board of Education's 2018-2019 objectives in support of meeting the College's three Strategic Goals of Productivity, Equity, and Quality. We will provide support to the President in state funding efforts as well as the College's seven Strategic Objectives developed for 2018-2019.**

- 1. Community Involvement:** Serve as a communication channel, both for disseminating information into communities in the district, as well as gathering and forwarding information that will be useful to College operations.
- 2. College Advocates in the Community:** Share Linn-Benton Community College news, updates and offerings by being LBCC ambassadors within our professional networks, clubs, religious groups, civic organizations, political affiliations, etc.
- 3. Information Sharing:** Determine the types of information important to the Board and ensure the proper information is reported to the public on a regular basis.
- 4. Relationship Building:** Collaboratively and respectfully work together for the good of the College, while recognizing and respecting each other's differences.
- 5. Professional Development:** Increasing Board knowledge of our roles by attending national and state professional development opportunities.
