Our world is "shrinking" as we do more and more of our business, politics, and war on a global scale. One of the most important ways to successfully navigate this world is by understanding each cultures' belief systems. This understand promotes peace rather than conflict. I'm here to help and guide you in the process. Welcome!

STUDENT CONDUCT

There will be no tolerance for jokes or slurs regarding race, ethnicity, religion, sexual orientation, or physical or mental abilities. It is crucial to maintain a respectful environment while exploring different religious traditions and beliefs. Any attempt to undermine this environment will not be tolerated, and the student will be removed from the class. To talk and learn together, people must feel free to share and explore ideas in a safe, open environment. If I interpret your work as being disrespectful or bordering on hate speech, your work will earn zero credit. Disagreement is acceptable and even encouraged, but it must be done in an intelligent, considerate, respectful, and reasoned manner.

TECHNOLOGY-FREE ZONE

Our classroom will be a technology-free zone. You are encouraged to use technology outside of the classroom for research and for study. However, in the classroom we want to engage the texts and each other in discussion. Technology of any sort (laptops, phones, texting, iPods, iPads, etc.) will not be allowed in this classroom.

ACADEMIC HONESTY

Academic honesty is an indispensable value as students acquire knowledge and develop skills in college. Students are expected to practice academic honesty by not cheating, plagiarizing, or misrepresenting their coursework in any way. Students are ultimately responsible for understanding and avoiding academic dishonesty whether such incidences are *intentional or unintentional*. Consequences for cheating, plagiarism or any other form of academic dishonesty may include receiving a score of zero on an individual assignment or failing the class.

COLLEGE POLICIES

Administrative Drop: Students who do not attend class during the first week will be automatically dropped by the instructor from the course. This is usually to make room for students on the wait list (but will be done regardless of a waitlist). If you missed class in the first week due to an emergency, contact your instructor as soon as possible to explain your situation and lessen the chance of being dropped.

Waitlist Policy: If you are on the waitlist and wish to take the course, you must attend class the first week and let me know your intent right before or after class.

Drop/Withdrawal Policy: Students are responsible for knowing the last day to drop the course for a full refund. Also, be aware of the last day to officially withdraw from the course so that only a "W" shows on your transcripts. See the academic calendar for these dates <https://www.linnbenton.edu/academiccalendar>.

Incomplete Grades: You may be eligible for an "Incomplete" grade if you have finished 80% of the class work and you have a good academic standing in the class. Should you receive an "Incomplete," all course work must be finished by the agreed upon date in the contract. Please contact the instructor prior to term's end with appropriate documentation for requesting an "Incomplete."

Disability Services: Students who may need accommodations due to documented disabilities, or who have medical information which the instructor should know, or who need special arrangements in an emergency, should speak with the instructor during the first week of class. If you believe you may need accommodations, but are not yet registered with CFAR, please go to <http://linnbenton.edu/cfar> for steps on how to apply for services or call 541-917-4789.
