

# EVERYTHING YOU NEED TO KNOW ABOUT YOUR LBCC BOOKSTORE

## Buying Your Text Books

### ***Where can I buy my books?***

You can purchase your text books and supplies at any one of our four locations (see back for more information) or online at [www.bookstore.linnbenton.edu](http://www.bookstore.linnbenton.edu). Note that the text your class requires may only be found at the campus where the course is held.

### ***How do I know what books I need?***

The text books you will need will be specific for each class you are taking. To find out which books you will need, bring your schedule to the Bookstore and ask an associate to help you locate the required texts for your classes; or you can find them yourself by identifying the subject (ex: BIO for Biology) then the course number (ex: 101) and finally the specific CRN. Make sure to get ALL of the required texts for a given CRN.

### ***How do I use my financial aid at the Bookstore?***

Many students have been granted financial aid to help reduce the out-of-pocket expenses of tuition and books. If you have financial aid you may use it at the Bookstore to purchase your items; just be sure to bring your student identification number and picture id.

### ***What if my high school or company is paying for my books?***

Some students have an outside source paying for their books and tuition (ex: high school students and employees of various companies). At the bookstore, they refer to these students as having agency accounts. They operate in the same way as financial aid accounts. If you have an agency account you may use it at the bookstore to purchase your required books and supplies. Please remember to bring your student identification number and picture id.

### ***What methods of payment are accepted?***

The Bookstore will accept cash, gift cards, valid financial aid and agency charges, checks, MasterCard, Visa, and Discover.

## Returns

### ***What if I need to return my books?***

Unfortunately sometimes classes are canceled; students purchase the wrong books, or change their schedules after buying text books. That is okay! You can return your text books before the date on your printed receipt for a full refund. The Bookstore will NOT accept returns without the receipt and original plastic wrap (if any) intact.

### ***How can I return other merchandise?***

All merchandise may be returned at any time up to 30 days after purchase with a receipt.

## Text Book Buyback

### ***What is text book Buyback?***

The text book Buyback is an opportunity for you to sell your books back to the Bookstore for some money. Book Buyback is held during Finals week of each term.

### ***Which books can I sell back?***

Many of the text books you buy at the beginning of a term will be bought back. However, if the book will not be used in the following term, or it is in poor condition, there is little chance it will be purchased. Also, the bookstore only needs a certain amount of each book so the best idea is to try to sell your books back as early in the week as possible.

### ***How much will I receive for my text books?***

You can receive up to fifty percent of what you originally paid for each book.

### ***Are there any other alternatives?***

Yes! If you do not want to sell your book at the Buyback, you can sell it individually using the public bulletin board in the CC building. Just ask for a slip, fill it out, and the Bookstore will post it.
