#### **Course-Specific Requirements**

Juries

Juries will be required for Music Majors at the end of each Term; these are to be factored into your grade. (They are optional for non-majors and will not factor into non-majors' grades.)

Studio Class

At the discretion of your instructor, studio classes will be held multiple times each term. If studio classes are held by your instructor they are required for music majors and recommended for non-majors. Studio classes are a chance to perform and listen to your colleagues perform, while receiving individual instruction in a masterclass setting.

## **Course Description**

This is an individual instructional course designed to provide skills to music majors leading to knowledge and fluency in piano techniques, performance skills, teaching, and selection of instructional materials. Primary focus will draw on goal-oriented assignments relating to mastery of piano technique and musicality. The first lesson will be an opportunity for the instructor and student to establish goals and discuss previous musical experience; the instructor may ask the student to play some exercises for the purpose of evaluation and assessment.

## **Objectives**

- To apply basic principles of technique and musicianship appropriate to the piano
- To demonstrate correct posture and hand positioning at the piano
- Examine and select appropriate repertoire well suited to the level of the student
- To expand the musical, theoretical, and technical knowledge of the student
- To reach a level of proficiency on the piano and to develop a repertoire of diverse musical styles and genres according to the student's goals and objectives.

## **Class Policies**

### **Behavior and Expectations**

Students are expected to:

- Attend all lessons. Please see attendance policy below for more details.
- Practice a minimum of 30 minutes per day for the one-credit class and 60 minutes per day for the two-credit class. A written practice journal may be helpful but is not required.
- Complete short and long term applied assignments as assigned by the instructor.
- Complete listening and/or written assignments as assigned by the instructor

The instructor will select and assign repertoire and various technical exercises that are appropriate to the level and interest of each student. Students should work toward completion of both short and long term assignments and show visible progress each week.

Students are expected to purchase music in a timely manner. A limited number of books are available at the LBCC bookstore. Others should be purchased by the student from a local bookstore, from the instructor directly, or online. Music Library or borrowed copies may be used for study purposes only, but printed music is recommended. Photocopies and/or library copies may not be used for performances.

As a member of the trombone studio at LBCC you are expected to attend every lesson. Ensembles and private lessons are academic subjects and should be considered as important as any class that you may have. You are mature enough to be reliable and there is nothing that will help build character better than becoming extremely reliable. Take every subject seriously, organize your schedule with a planner, and remember that it is not possible to learn too much.

Whether you are an education major or a performance major you must start acting professionally now. When you are a full time teacher (or whatever profession you choose) you will be expected to arrive at work every day on time, do your duty, and succeed in motivating and educating your students. You can begin right now by motivating yourself to succeed in everything you do. Remember that success is never final. As a musician, you must learn to be on time, be prepared, and be able to do the job well or you won't have that job for very long.

Please do not hesitate to call or email with any questions as you proceed through this course. You can email, text or call me using my contact information above.

### **Changes to the Syllabus**

I reserve the right to change the contents of this syllabus due to unforeseen circumstances. You will be given notice of relevant changes in class through LBCC e-mail.

### **JURY ETIQUETTE**

Juries are required for Music Majors. If you are a music major, you must perform a jury in your major instrument and piano if you are taking that concurrently as a private lesson.

Music majors, we ask that you perform two pieces in your major instrument. There may be other requirements in addition to the two pieces that need to be met. Please see your instructor for more information. Your instructor will help you choose two appropriate works. If piano is your non-major instrument (and you are taking individual lessons on it), you will perform a separate jury on piano in addition to the two works on your major instrument.

For these juries we ask that you:

- ❖ Please fill out 4 copies of the Jury form and return these to your instructor prior to the jury.
- ❖ Present at least two copies of the pieces you will be performing to the jury panel.
- ❖ Please arrive 10 minutes early to your jury as it is important to maintain the schedule.
- ❖ You are expected to introduce yourself and announce the title and composer. Be prepared to share the time period and translation (if applicable) of your pieces.
- ❖ We would prefer you perform memorized.
- ❖ We ask you to dress nicely for the jury. Whatever you would wear for a formal solo performance in front of your peers, teachers, and colleagues would be appropriate. Consult your instructor for details.
