## RECORDS INFORMATION

Pursuant to Public Law 93-380, recently enacted Federal legislation, students may see and review all official records, files, or data pertaining to that student with the following exceptions: confidential financial information reported by the parent-guardian unless the latter has explicitly granted written permission for the student to review the financial statement, and medical, psychiatric, or similar records used for treatment purposes.

The amount of data accumulated by the College will differ for each student and would be dependent upon his or her use of the available services and the length of stay at the College.

Access to their records is guaranteed to all students as early as possible but must be within 45 days of the student's official request.

A student may challenge the content of a record that he or she considers inaccurate, misleading, or otherwise in violation of the privacy or other rights of students. If the challenge is not resolvable with the custodian of the records, the student has a right to a hearing as outlined in the Students Rights, Freedoms, Responsibilities and Due Process document.

Linn-Benton Community College considers the following to be directory information and releasable to anyone upon request: student's name, address, telephone listing, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, school or division of enrollment, periods of enrollment, degrees and awards received.

Students who do not wish to have any of the information listed above released by the College must complete a directory deletion form in the Registrar's Office.

Students may have records in the following offices:

1. Admissions and Registrar's Office: Custodian of records is the Director of Admissions and Registrar. Access of records is limited to college personnel.
2. Guidance Center: Custodian of records is the Director of Guidance. Access of records is limited to Guidance Services Staff.
3. Student Health Center: Custodian of records is the Health Nurse. Access of records is limited to Guidance Services Staff.
4. Dean of Students Office: Custodian of records is the Dean of Students. Access of records is limited to the Dean.
5. Financial Aids Office: Custodian of records is the Coordinator of Financial Aids. Access to records is limited to Financial Aids Staff.
6. Placement Office: Custodian of records is the Coordinator of Placement. Access to records is limited to Placement Office Staff.

Release of student information shall not be withheld from representatives of the following agencies: a) the Comptroller General of the United States, b) the Secretary, c) an administrative branch of an educational agency, d) State educational authorities, authorities who by either Federal or State law or by legislative directive have the right to audit and evaluate, e) the audit firm retained by the Linn-Benton Community College Board of Education.

All records that pertain to academic achievement, evaluative tests, and to the student's payment of tuition and fees are considered permanent records of the college. Records of health treatment or physical examinations are retained for a period of seven years. Disciplinary records are retained for one year after the student's last date of attendance except where the conditions of the disciplinary action exceed one year.

## REGISTRATION INFORMATION FOR STUDENTS TAKING 8 OR MORE CREDIT HOURS

Steps to be taken BEFORE you stand in line to register:

- 1. ADMISSION.** Students planning to enroll for 8 or more credit hours:  
File an Application for Admission  
File transcripts from previous schools attended  
Make arrangements to take the Comparative Guidance and Placement Test (CGP)
- 2. ADVISING.** New Students enrolling for 8 or more credit hours will receive advising help during the advising/registration period planned for new students. New students who have completed the admission process will be assigned a date for advising by the Admissions office. **Continuing** students may plan their own programs and register without staff approval. If assistance is necessary, contact a faculty advisor or the Guidance Center.
- 3. PROGRAM APPROVAL.** All NEW students must secure counselor approval (CC-110) or their program.
- 4. GRADUATION REQUIREMENTS.** Students expecting to receive an Associate Degree or departmental certificate from LBCC MUST apply for graduation in the Admissions and Career Information Center one term prior to graduation.
- 5. REGISTRATION.** Pick up a long-form registration packet in the registration area. Check for posted lists of filled, cancelled, added, or changed classes. Fully complete each form in ballpoint pen. Make sure all copies are legible.

**ALL CONTINUING STUDENTS IN THE FOLLOWING SPECIAL PROGRAMS** will be required to register prior to the last day of the preceding term to assure their place in the program. Space remaining in the program after the last day of the term will be opened to new students.

Auto Body Repair	Construction Technology (Carpentry)
Automotive Technology	Drafting Technology
Machine Tool Technology	Electricity/Electronics Technology
Small Engines/Recreational Vehicle Repair	Heating, Air Conditioning & Refrig. Tech.
Welding	Wastewater Technology

- 6. TUITION and FEES.** Full tuition payment is usually necessary at the time of registration. Insurance premiums should also be paid if insurance is desired.

Students sponsored by a special program or attending under a grant or scholarship must pick up an authorization at the Financial Aids Office BEFORE REGISTERING.

The Deferred Payment Plan may be used by full-time students (12 or more credit hours). One third of the tuition is paid at the time of registration and the balance by the end of the fifth week of class. Application for this plan must be made at the Financial Aids Office (CC-107) BEFORE REGISTERING, and a Deferred Payment Agreement must be presented at the time of registration.

- 7. VETERAN'S BENEFITS and SPECIAL PROGRAMS.** Students receiving benefits (G.I. Bill, Veteran's Vocational Rehabilitation, Veteran's Dependent, or Social Security) have the responsibility of starting the necessary paper work each term in order to receive these benefits. Complete the form in the registration packet and carefully follow the printed instructions. Contact the Veteran's Clerk in the Veteran's Office CC-121 if you have questions.

## REGISTRATION INFORMATION FOR STUDENTS TAKING 7 OR LESS CREDIT HOURS

Register during the pre-registration period or during the first three weeks of classes.

Enrolling in day classes the second week requires the instructor's written permission.

Enrolling the third week in any class requires the instructor's written permission and a \$1.00 late fee.

Steps to be taken BEFORE you stand in line to register:

- 1. ADMISSION.** There are no admission requirements for students taking 7 or fewer credit hours.
- 2. PROGRAM APPROVAL.** Counselor approval is not required. However, counselors are available to assist students if desired.
- 3. REGISTRATION.** Pick up a short-form registration packet in the registration area. Check for posted lists of filled, cancelled, added, or changed classes. Fully complete each form in ballpoint pen. Make sure all copies are legible.
- 4. TUITION and FEES.** Full tuition must be paid at the time of registration.
- 5. VETERAN'S BENEFITS and SPECIAL PROGRAMS.** Students receiving benefits (G.I. Bill, Veteran's Vocational Rehabilitation, Veteran's Dependent, or Social Security) have the responsibility of starting the necessary paper work each term in order to receive these benefits. Complete the form in the registration packet and carefully follow the printed instructions. Contact the Veteran's Clerk in the Veteran's Office CC-121 if you have any questions.

### GUIDANCE & COUNSELING SERVICES

The following students are required to have counselor approval of their programs:

1. New students who are registering for 8 or more credit hours
2. Students being sponsored by a special program, such as MDTA, DVR, WIN, etc.
3. Students on probation or in danger of failure
4. Students changing their major

In addition, any student who wishes counseling assistance in planning his program is encouraged to contact a faculty advisor or the Guidance Center for an appointment.

### FINANCIAL AIDS

Students needing financial assistance (grant, loan, or campus employment) should contact the Financial Aids Office as soon as possible. Applicants for financial aids are judged on (1) need, (2) date of application, and (3) aptitude based on interest and past performance.

### NON-ATTENDANCE

Students who are unable to attend a class regularly may jeopardize their enrollment in that class. If you must miss a class, you should contact the instructor immediately. During the term the College is making adjustments in the class registrations, and other students are waiting to enroll.

### PASS GRADING

Certain courses listed in the schedule have an "OPT" designation in the PNP column. Each student in that class has the option of taking the course for the usual A, B, C, D, or F grade or taking it on a pass/no pass basis. On these courses only, the student may request a P/NP Option Form from the instructor any time during the quarter up to the last day of regular classes. Once the P/NP has been elected, the student may not change back to regular grading without the permission of the instructor. If uncertain about requesting the P/NP, the student should wait until the last day to make a decision.

Courses listed in the schedule with "PNP" in that column are those where only pass or no pass grades are issued.

The maximum of "P" credits allowed toward an LBCC degree will be 16 hours, not including those with mandatory pass (P) grading. Students should consult with a counselor before deciding to choose the pass (P) grade. It is not advisable for a student to choose the "P" grade in a course that is considered a major course in his field of study. Students planning to transfer to a four-year institution should check that institution's requirements regarding the "P".

### ADDING CLASSES

To add a class, an add slip must be presented at the Registration Office and any additional tuition paid. Students taking 8 or more credit hours may add classes through the first week on a space-available basis. Students carrying a total of 7 or less credit hours may add classes during the first two weeks on a space-available basis. However, adding classes during the second week requires written permission of the instructor. There is no add fee for the first change of schedule involving one or more added classes. The charge for each additional change is \$2.

### DROPPING CLASSES

To officially drop a class requires presentation of a drop slip at the Registrar's Office. Students who withdraw without giving written notice to the Registration Office will forfeit all claims to refund of tuition and will remain responsible for their grade in the class. Students who withdraw from all their classes must also complete a "Total Drop Form" at the Registrar's Office.

### REFUNDS

To receive a refund, students must submit a drop slip to the Registration Office within the first five weeks of the term. Refunds will be mailed after the second week of classes.

The amount of refund:

- Official withdrawal by a student carrying 8 or more credits = full refund less \$15.
- Official withdrawal by a student carrying 7 or less credits = full refund less \$5.
- Official withdrawal by a student paying \$8.75 or enrolled in Community Education non-credit classes = full refund less \$2.50.
- Reduction of credit load = difference in tuition amounts (to the minimum charge)
- Classes cancelled by the college = full refund or re-enrollment in another class providing student notifies registration office.

### INSURANCE

Hospitalization and accident insurance is available to all students at the time of registration. Brochures giving details of this coverage are available in the Registration Office. Premium must be paid at time of registration and prior to the second week of the term.

### JOB PLACEMENT

Part-time and career-job-placement assistance is available to students of LBCC. Students needing employment should contact the Placement Officer in the Financial Aids Office.

### LEARNING RESOURCE CENTER

The Learning Resource Center is a multi-purpose facility meeting the instructional need of faculty and the learning needs of students at LBCC. The LRC includes the college library which has approximately 25,000 volumes. It is also the headquarters for campus Media Services which encompasses films, filmstrips, audio-tape programming, television and other forms of educational media. Reading and mathematics labs are operated as portions of the LRC. The graphics department of the LRC offers printing, photography, and art design services to the campus. The staff of the LRC are responsible for assisting students in locating and utilizing available materials.

### GOLDEN AGE CLUB

Senior citizens (65 years and older) may wish to acquire an LBCC Golden Age Card. The bearer of the card is granted tuition and fee waivers to most college classes on a space available basis, and all college activities. The cards are available in the Community Education Office.
