8:30 am to 4:30 pm Monday through Friday

Mar. 29 - Apr. 1

8:00 am to 8:30 pm Monday through Thursday

Regular Credit Classes

Registration Information

Registration begins March 1 and continues through March 26. Registration Office hours are 8:30 am to 4:30 pm Monday through Friday. March 29 through April 1 the Registration Office will be open from 8:00 am to 8:30 pm Monday through Thursday

Registration Information for Students Taking 8 or More Credit Hours

Steps to be taken before you stand in line to register:

- 1. Admission Students planning to enroll for 8 or more credit hours: File an Application for Admission; file transcripts from previous schools attended; make arrangements to take the Comparative Guidance and Placement Test(CGP)
- 2. Advising New students enrolling for 8 or more credit hours will receive advising help during the advising/registration period planned for new students. New students who have completed the admissions process will be assigned a date for advising by the Admissions Office. Continuing students may plan their own programs and register without staff approval. If assistance is necessary, contact a faculty advisor or the Guidance Center.
- Program Approval All NEW students must secure counselor approval (CC-110) of their program.
- 4. Graduation Requirements Students expecting to receive an Associate Degree or departmental certificate from LBCC must apply for graduation in the Admissions and Career Information Center one term prior to graduation.
- 5. Registration Pick up a long-form registration packet in the registration area. Check for posted lists of filled, cancelled, added, or changed classes. fully complete each form in ballpoint pen. Make sure all copies are legible.

All continuing students in the following special programs will be required to register prior to the last day of the preceding term to assure their place in the program. Space remaining in the program after the last day of the term will be opened to new students.

Auto Body Repair
Automotive Technology
Machine Tool Technology
Small Engines/Recreational Vehicle Repair
Welding
Construction Technology (Carpentry)
Drafting Technology
Electricity/Electronics Technology
Heating, Air Conditioning & Refrig. Tech.
Wastewater Technology

6. Tultion and Fees - Full tuition payment is usually necessary at the time of registration. Insurance premiums should also be paid if insurance is desired.

Students sponsored by a special program or attending under a grant or scholarship must pick up an authorization at the Financial Aids Office BEFORE REGISTERING.

The Deferred Payment Plan may be used by full-time students (12 or more credit hours). One third of the tuition is paid at the time of registration and the balance by the end of the fifth week of class. Application for this plan must be made at the Financial Aids Office (CC-107) BEFORE REGISTER-ING, and a Deferred Payment Agreement must be presented at the time of registration.

7. Veteran's benefits and special programs
Students receiving benefits (GI Bill, Veteran's
Vocational Rehabilitation, Veteran's Dependent, or
Social Security) have the responsibility of starting
the necessary paper work each term in order to
receive these benefits. Complete the form in the
registration packet and carefully follow the printed
instructions. Contact the Veteran's Clerk in the
Veteran's Office (CC-121) if you have questions.

Registration Information for Students Taking 7 or Less Credit Hours

Register during the pre-registration period or during the first three weeks of classes.

Enrolling in day classes the second week requires the instructor's written permission.

Enrolling the third week in any class requires the instructor's written permission and a \$1.00 late fee.

Steps to be taken before you stand in line to register:

- Admission There are no admission requirements for students taking 7 or fewer credit hours.
- Program approval Counselor approval is not required. However, counselors are available to assist students if desired.
- 3. Registration Pick up a short-form registration packet in the registration area. Check for posted lists of filled, cancelled, added, or changed classes. fully complete each form in ballpoint pen. Make sure all copies are legible.
- 4. Tultion and Fees Full tuition must be paid at the time of registration.
- 5. Veteran's benefits and special programs
 Students receiving benefits (GI Bill, Veteran's Vocational Rehabilitation, Veteran's Dependent, or Social Security) have the responsibility of starting necessary paper work each term in order to receive these benefits. Complete the form in the registration packet and carefully follow the printed instructions. Contact the Veteran's Clerk in the Veteran's Office CC-121 if you have any questions.

Golden Age Club

Senior citizens(65 years and older) may wish to acquire an LBCC Golden Age Card. The bearer of the card is granted tuition and fee waivers to most college classes on a space available basis, and all college activities. The cards are available in the Community Education Office.

Insurance

Hospitalization and accident insurance is available to all students at the time of registration. Brochures giving details of this coverage are available in the Registration Office. Premium must be paid at the time of registration or prior to the fourth week of the term.

Remove Center

Community

USE CODE NUMBER FROM THIS LIST OF MAJORS TO COMPLETE BOX ON REGISTRATION FORM

Adding Classes

To add a class, an add slip must be presented at the Registration Office and any additional tuition paid. Students taking 8 or more credit hours may add classes through the first week on a space-available basis. Students carrying a total of 7 or less credit hours may add classes during the first two weeks on a space-available basis. However, adding classes during the second week requires written permission space-available basis. However, aduling classes during the second week requires written permission of the instructor. There is no add fee for the first change of schedule involving one or more added classes. The charge for each additional change is \$2.

Dropping Classes

To officially drop a class requires presentation of a drop slip at the Registrar's Office. Students who withdraw without giving written notice to the Registration Office will forfeit all claims to refund of tuition and will remain responsible for their grade in the class. Students who withdraw from all their class. Students who withdraw from all their class. classes must also complete a "Total Drop Form" at the Registrar's Office.

Class Attendance

Class attendance is most important to the learning process. Students are expected to attend each class meeting for which they have registered. When absence for some unavoidable reason does occur, it is the obligation of the student to contact the instructor to determine if make-up work is possible and the amount.

Non Attendance

A "Non-Attendance" instructor withdrawal may be issued by an instructor to students who do not attend class for a two week period and have not made previous arrangements.

Pass Grading

Certain courses listed in the schedule have an "OPT" designation in the PNP column. Each student in that class has the option of taking the course for the usual A, B, C, D, or F grade or taking it on a pass/no pass basis. On these courses only, the student may request a P/NP Option Form from the instructor any time during the quarter up to the last day of regular classes. Once the P/NP has been elected, the student may not change back to regular grading without the permission of the instructor. If uncertain about requesting the P/NP, the student should wait until the last day to make a decision.

Courses listed in the schedule with "PNP" in that column are those where only pass or no pass grades

The maximum of "P" credits allowed toward an LBCC degree will be 16 hours, not including those with mandatory pass (P) grading. Students should consult with a counselor before deciding to choose the pass (P) grade. It is not advisable for a student to choose the "P" grade in a course that is considered a major course in his field of study. Students planning to transfer to a four-year institution should check that institution's requirements regarding the "P."

Refunds

To receive a refund, students must submit a drop slip to the Registration Office within the first five weeks of the term. Refunds will be mailed after the second week of classes.

Official withdrawal by a student carrying 8 or more credits=full refund less \$15

Official withdrawal by a student carrying 7 or less credits=full refund less \$5

Official withdrawal by a student paying \$8.75 or enrolled in Community Education non-credit classes=full refund less \$2.50

Reduction of credit load=difference in tuition amounts (to the minimum charge)

Classes cancelled by the college=full refund or re-enrollment in another class providing student notifies Registration Office.

Records Information

accordance with the Family Education Rights and In accordance with the Family Education Rights and Privacy Act: Linn-Benton Community College considers the following to be directory information and releasable to anyone upon request: student's name, address, telephone listing, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, school or division of enrollment, degrees and awards received.

Students who do not wish to have any of the information listed above released by the College must complete a directory deletion form in the Registrar's Office.

Guidance & Counseling

The following students are required to have counselor approval of their programs:

1. New students who are registering for 8 or more

credit hours. 2. Students being sponsored by a special program, such as DVR, etc.

3. Students on probation or in danger of failure.4. Students changing their majors.

In addition, any student who wishes counseling assistance in planning his program is encouraged to contact a faculty advisor or the Guidance Center for

LBCC Credit By Examination

If presently enrolled students believe they have mastered the material presented in a certain course offered at LBCC or have had equivalent work experience, they may request credit by examination ("challenge"). This may be accomplished by: (1) enrolling in the class and presenting a request directly to the instructor (without additional cost if a full-time student), or (2) apply at the Registrar's Office and pay a \$3.00 per credit hour fee. See the Registrar for additional information.

COMMUNITY EDUCATION REGISTRATION INFORMATION

REGISTRATION for Community Education Classes may take place before classes begin or the first class meeting. However, space is limited in some classes and pre-registered students will be given preference over persons who wait for first class meeting to register.

TUITION for credit classes is charged at the rate of \$8.75 per credit hour for in-district residents. Tuition for non-credit classes is based on the number of hours an instructor is furnished. Tuition is higher for hobby and recreational courses than for other classes since they must be self-supporting. See class schedule for specific rates.

In-district residents, Linn and Benton counties, may take classes at any center for the resident tuition charge. Out-of-district residents may be required to pay a higher amount.

MINIMUM CLASS SIZE: To insure that classes are economical, a minimum of 12 persons must enroll for a class to be held as scheduled. If a class is cancelled students may transfer to another class or have tuition and fees refunded.

Some classes have severe space limitations and are indentified in this schedule by the words "Enrollment Limited". To obtain space in these classes it is important that you register early at the Center under which the class is listed.

For pre-registration call or visit your community education center.

NEW CLASSES - If 12 or more persons are interested in a new course, the Community Education Division will try to locate a qualified instructor and suitable facilities. Contact your Community Education Center if you have a course you would like to take or are qualified to teach.

LATE FEE: A \$1.00 late fee is required of students enrolling in the third or later week of class. Normally the college registrar will not accept registrations after the third week of a scheduled class.

BOOKSTORE HOURS Monday - Thursday, 8 AM to 5 PM
Friday, 8 AM to 4:30 PM Evening Hours: 6:30 to 8:30 Tuesday and
Wednesday

LIBRARY HOURS 7:30 AM to 9:00 PM Monday to Thursday
7:30 AM to 5:00 PM Friday
Evening School Hours: 8 AM - 9 PM Monday to Thursday
8 AM - 5 PM Friday

For information about classes or coming events call your center.

President of LBCC

Raymond J. Needham

Linn-Benton Community College is a comprehensive community college offering a variety of vocational, academic and continuing education programs.

The college has approximately 30 career programs related to local area job opportunities. The majority of the programs offer educational opportunities for people who are presently working in these fields to upgrade their skills as well as providing initial training to those entering the job markets for the first time.

In order to provide for students who wish to go on to one of the four-year colleges or universities LBCC has an academic program which enables students to begin their studies with the advantages of small classes, special learning aids and remedial programs for basic college preparation.

Special programs like the ABE-GED (Adult Basic Education and General Educatoin Development) offer help to adults and students of all backgrounds and ages for improving their basic skills in reading, writing, math and study methods without tuition, through aid from federal funds.

Even though recreation and hobby courses are not high on the college's priority list it is believed that their existence on a selfsupportive basis is an important community service. The community benefits through the use of the college's facilities and buildings to the fullest capacity, and these courses supplied in response to the community's demand enrich thousands of lives. Wherever citizens can guarantee an enrollment of 12 students paying the fee the college will provide a course requested if at all possible. The minimum of 12 students will guarantee a self-supporting class.

LBCC is attempting to retain its open-door policy, unrestricted admission to all adults, and at the same time provide low cost education. However, in attempting both of these goals the college is required to develop an efficient operation in order to keep the tax rate as low as possible for the community.

There are ten centers operating throughout the area the college serves to provide contact service with the community and ensure that local needs are being met.

The LBCC Board of Education and the college administration desire that citizens in every area of the college's community express their educational needs and wishes. The college belongs to the citizens of Linn and Benton counties and will remain responsive to their post-secondary education needs.

Additional Benton Center Descriptions

Techniques of Stock Market Analysis-Through lecture and discussion on the basic facts one should know before investing capital in today's stock and bond markets, students will learn how to avoid investment pitfalls and how the professionals take advantage of business cycles and trends to make money.

Your Attitude is Showing-Reading, studying and discussing the book, "Your Attitude is Showing" will give people of all ages, young and old alike, greater confidence to deal with many human relations problems. It will provide a philosophy, a set of principles and guidelines to follow in dealing with human problems, thus eliminating many mistakes and frustrations. It will show in a sensitive way why the student's positive attitude is vital to his career success and how he can protect and develop it.

Painting Mixed Media—Instruction in the use of painting medias; oil, watercolor, with special emphasis on the development of composition and realism tcehniques. Students may pursue interests in landscape, portraiture, or other subject matter using photography, live objects, or pure imagination.

French for Travelers—A course designed primarily for travelers, concentrating on the phrases and conversation needed by travelers visiting French-speaking countries who have little or no knowledge of the French language.

Italian Cooking I-Learn the basic of Italian Cooking, including making noodles, tomato sauce, different spaghetti sauces, Lasagna, Raviolli, and authentic Italian pizza. Other more elegant Italian dishes will also be prepared.

Clock Cabinetmaking-This course is designed to instruct and encourage the art of fine clock cabinetmaking. This course will include wood carving, veneering, specialized finishes, selection and installation of clock movements, and the pros and cons of different movements.

Metalcraft/Enameling-A very ancient art that has been known since the Fifth Century B.C. The process involves applying a thin coat of glass to metal, then heating it to about 1500° to fuse the glass to the metal piece.

Elements of Supervision—A basic introductory course covering in general terms the total responsibilities of a supervisor in industry, such as organization, duties and responsibilities, human relations, grievance, training, rating, promotion, quality-quantity control, and management-employee relations.

Livestock Breeding-This course is designed to provide the student with instruction in the areas of the reproductive systems, hormones, artificial insemination, livestock breeding, inheritance and basic genetic systems. Students will also become familiar with different systems of breeding animals and improving them through inherited traits.

Introduction to Mushroom Identification-A general introduction to poisonous and edible mushrooms and their relatives, with emphasis on identification of common and local species. This course will provide information on some conspicuous fungal organisms occurring in nature and opportunity to extend this knowledge according to individual interest.

Aging in America—An interdisciplinary look at the aging process and the position of the aged in our society. Current issues in psychology, health, economics and community involvement as they pertain to the aged will be discussed. Movies, simulation games, and guest speakers will be used to increase awareness and understanding of the older person. This course is designed to be both an informative and an effective experience.

Physical Fitness and Women's Health-Learn aids to getting and staying that way! These include deep relaxation, proper nutrition, exercise, Swedish massage, some anatomy, hatha yoga, and most basic of all, personal awareness of one's own state of health.
