

Objective:

To obtain a dynamic Certified Nurse Assistant position focusing on the direct care and needs of each patient as determined by their Physician and Registered Nurse.

Skills and Experience:

Cross-Cultural Experience

- Conversed and lived in two Spanish-speaking communities with over three years of Spanish classes
- Built houses and restrooms in the underprivileged communities of La Vega, Dominican Republic
- Provided community education and structural repair in Guatemalan refugee town near Bacalar, Mexico
- Traveled to schools and remote villages, assisting small churches and caring for the diseased and malnourished in Kathmandu and Pokhara, Nepal
- Volunteered at local Soup kitchen, serving disadvantaged people of my community

Teamwork Skills

- Served on school and church youth leadership team organizing, directing, and running various fundraisers and youth events
- Operated, set up, and tore down sound equipment on a weekly basis as well as served on worship teams
- Served with, led, and worked below people of various backgrounds, cultures, and ethnicities
- Contributed to team effort in volleyball (seven years) and track (three years)

Leadership Skills

- Personally organized and directed various school and church fundraisers, events, and activities by delegating tasks
- Handled inventory, accounting, and purchase, pricing, and sell of goods in small store
- Oversaw the scheduling, staffing, and maintenance of the store
- Acted as treasurer for my senior class, managing money and fundraisers and assisting in the planning of our senior trip
