

Linn-Benton Community College

Summer 1976

Registration Information for Students Taking 8 or More Credit Hours

Steps to be taken before you stand in line to register:

1. **Admission** - Students planning to enroll for 8 or more credit hours: File an Application for Admission; file transcripts from previous schools attended; make arrangements to take the Comparative Guidance and Placement Test (CGP)

2. **Advising** - New students enrolling for 8 or more credit hours will receive advising help during the advising/registration period planned for new students. New students who have completed the admissions process will be assigned a date for advising by the Admissions Office. Continuing students may plan their own programs and register without staff approval. If assistance is necessary, contact a faculty advisor or the Guidance Center.

3. **Program approval** - All NEW students must secure counselor approval (CC-110) of their program.

4. **Graduation Requirements** - Students expecting to receive an Associate Degree or departmental certificate from LBCC must apply for graduation in the Admissions and Career Information Center one term prior to graduation.

5. **Registration** - Pick up a long-form registration packet in the registration area. Check for posted lists of filled, cancelled, added, or changed classes. Fully Complete each form in ballpoint pen. Make sure all copies are legible.

6. **Tuition and Fees** - Full tuition payment is usually necessary at the time of registration. Insurance premiums should also be paid if insurance is desired. Students sponsored by a special program or attending under a grant or scholarship must pick up an authorization at the Financial Aids Office BEFORE REGISTERING.

The Deferred Payment Plan may be used by full-time students (12 or more credit hours). One third of the tuition is paid at the time of registration and the balance by the end of the fifth week of class. Application for this plan must be made at the Financial Aids Office (CC-107) BEFORE REGISTERING, and a Deferred Payment Agreement must be presented at the time of registration.

7. **Veteran's benefits and special programs** - Students receiving benefits (GI Bill, Veteran's Vocational Rehabilitation, Veteran's Dependent, or Social Security) have the responsibility of starting the necessary paper work each term in order to receive these benefits. Complete the form in registration packet and carefully follow the printed instructions. Contact the Veteran's Clerk in the Veteran's Office (CC-121) if you have any questions.

Registration Information for Students Taking 7 or Less Credit Hours

Register during the pre-registration period or during the first three weeks of classes.

Enrolling in day classes after the first week requires the instructor's written permission.

Enrolling after the second week in any class requires the instructor's written permission and a \$1.00 late fee.

Steps to be taken before you stand in line to register:

1. **Admission** - There is no admission requirement for students taking 7 or fewer credit hours.

NOTICE

Summer Term registration originally scheduled to begin May 24, has been postponed and rescheduled as listed. Registration is still contingent on the passage of an operating budget. Because Summer Term 1976, is the first term of the 1976-77 school year, the college cannot begin without an approved budget.

Students enrolling for summer term only - follow information for students taking 7 or less credit hours.

Use major code numbers posted at registration windows to complete box on registration form.

GOLDEN AGE CLUB

Senior citizens (65 and older) may acquire an LBCC Golden Age Card. The bearer of the card is granted tuition and fee waivers to most college classes on a space available basis, and all college activities. Cards are available through the Community Education office

2. **Program approval** - Counselor approval is not required. However, counselors are available to assist students if desired.

3. **Registration** - Pick up a short-form registration packet in the registration area. Check for posted lists of filled, cancelled, added, or changed classes. Fully complete each form in ballpoint pen. Make sure all copies are legible.

4. **Tuition and Fees** - Full tuition must be paid at the time of registration.

5. **Veteran's benefits and special programs** - Students receiving benefits (GI Bill, Veteran's Vocational Rehabilitation or Veteran's Dependent) have the responsibility of starting the necessary paper work each term in order to receive these benefits. Complete the form in the registration packet and carefully follow the printed instructions. Contact the Veteran's Clerk in the Veteran's Office (CC-121) if you have any questions.

Adding Classes

To add a class, an add slip must be presented at the Registration Office and any additional tuition paid. Students may add classes through the first three weeks on a space available basis. However, adding day classes after the second week requires the written permission of the instructor. There is no fee for the first change of schedule involving one or more added classes. The charge for each additional change is \$2.00.

Dropping Classes

To officially drop a class requires presentation of a drop slip at the Registration Office. Students who withdraw without giving written notice to the Registration Office will forfeit all claims to refund of tuition and will remain responsible for their grade in the class. Students carrying 8 or more credits who withdraw from all their classes must also complete a "Total Drop Form" at the Registration Office.

Refunds

To receive a refund, students must submit a drop slip to the Registration Office within the first five weeks of the term. Refunds will be mailed after the second week of classes.

The amount of refund:

Official withdrawal by a student carrying 8 or more credits = full refund less \$15.

Official withdrawal by a student carrying 7 or less credits = full refund less \$5.

Official withdrawal by a student paying \$8.75 or enrolled in Community Education non-credit classes = full refund less \$2.50.

Reduction of credit load = difference in tuition amounts (to the minimum charge)

Classes cancelled by the college = full refund or re-enrollment in another class provided student notifies Registration Office.

Records Information

In accordance with the Family Education Rights and Privacy Act: Linn-Benton Community College considers the following to be directory information and releasable to anyone upon request: student's name, address, telephone listing, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, school or division of enrollment, degrees and awards received.

Students who do not wish to have any of the information listed above released by the College must complete a directory deletion form in the Registrar's Office.

Guidance & Counseling

The following students are required to have counselor approval of their programs:

1. New students who are registering for 8 or more credit hours.
2. Students being sponsored by a special program, such as DVR, etc.
3. Students on probation or in danger of failure.
4. Students changing their majors.

In addition, any student who wishes counseling assistance in program planning is encouraged to contact a faculty advisor or the Guidance Center for an appointment.

Regular Classes

Use major code numbers posted at registration windows to complete box on registration form.

Community Education

REGISTRATION INFORMATION

REGISTRATION for Community Education Classes may take place before classes begin or the first class meeting. However, space is limited in some classes and pre-registered students will be given preference over persons who wait for first class meeting to register.

TUITION for credit classes is charged at the rate of \$9.25 per credit hour for in-district residents. Tuition for non-credit classes is based on the number of hours an instructor is furnished. Tuition is higher for hobby and recreational courses than for other classes since they must be self-supporting. See class schedule for specific rates.

In-district residents, most of Linn and Benton counties, may take classes at any center for the resident tuition charge. Out-of-district residents may be required to pay a higher amount.
